

RYAN HYONGIL CHUN

2520 Hillegass Ave. Apt. #108; Berkeley, CA 94720
562) 455-7461, ryanhchun@berkeley.edu

EDUCATION

University of California, Berkeley

December 2014

B.A. Interdisciplinary Studies Field (Concentration – Technological Entrepreneurship for Social Change: Focus on Global Health Problems)

WORK EXPERIENCE

African American Women's Heart & Health Study (AAWHS) | Berkeley, CA

Aug 2012 – Jan 2013

Lab Research Assistant

- Documented over 15 different types of blood samples from each patient as well as inputted this information into a spread sheet to generate electronic copies of data
- Multitasked between monitoring time-sensitive blood samples, operating a centrifuge to separate layers of the blood, and pipetting the blood aliquots to precisely garner the specimen of study

Credit Unions for Berkeley Students (CUBS) | Berkeley, CA

Jan 2011 – Sept 2011

Bank Operator

- Maintained solid knowledge of CUBS operations in order to accurately operate the Financial Service Platform (FSP) program for monetary transactions such as withdrawals and transfers
- Addressed customers' concerns over the phone and walked them through the online website simultaneously to ensure no misunderstandings

Ruiru Sub-District Hospital | Ruiru, Kenya

May 2011 – July 2011

HIV Counselor & Test Administrator

- Attended trainings and workshops to learn how to communicate with patients on the delicate topic of HIV while overcoming language and cultural barriers
- Informed patients about the environmental and health risks associated with HIV and informed them of recommended preventive measures
- Tested approximately 45 patients a day for HIV using immunochromatographic tests and explained the results and/or options that can be taken if results were positive

Silverstar Express, Inc. | Rancho Dominguez, CA

June 2010 – Aug 2010

Financial Audit Intern

- Utilized the international freight stream programming (freightstream.com) to verify orders and used Excel to correctly place cargos in correct destination with their mode of transportation
- Organized orders and collaborated with the accountants to audit for any transaction discrepancies
- Aided the customer services department by sending invoices through e-mails and phone calls to customers to remind them of their incoming or late payments

LEADERSHIP EXPERIENCE

AmiGeo | Berkeley, CA

Sept 2012 – Jan 2013

Sustainability Analyst

- Researched and quantified political, environmental, and governance aspects of companies in recent years in order to determine a comparable ranking of their overall sustainability
- Analyzed consumer usability functions for the online financial data and news reporting platform and defined requirements to organize sustainability data in a presentable form for viewers

Fellowship in Christ, Berkeley | Berkeley, CA

Aug 2011 – Jan 2012

Transportation Department Member

- Assisted making logistical decisions and coordinated rides for all organization events
- Provided transportation service for 36 students from Berkeley, CA to Daly City, CA using vans every Sunday

Student Financial Advisory Committee (SFAC) | Berkeley, CA

Jan 2011 – Sept 2011

Marketing Committee Member

- Compiled member information and strategically developed a new referral program in order to expand the customer base for the main branch
- Evaluated competitive landscape between CUBS and other banks to compare savings and checking accounts to identify and highlight benefits of the credit union
- Designed flyers, logo, and promotional tools for CUBS utilizing Photoshop
